

performance and took a woman to the stage to midnight. The artist left the audience in suspense as the award-winning artist was in Japan for Patience Namaligo and Gwamba, among others.

### Blessed is the hand that giveth

FOCUS on Ability Society (Foas) with humanitarian support from their partners Nova Employment, the creator of Focus on Ability Short Film Festival over the weekend took advantage of the Easter period to donate nutritious maize flour to 372 flood victims at Goma Primary School camp in Ngabu, Chikwawa. Recently Foas also donated blankets. In the picture Foas Executive Director MacDonald Nyirenda (left) donating some of the flour—
